The commission will be charged to the account per round-turn lot, regardless of whether the position would have been subject to rollover fees. In addition, please be advised that any and all accounts in the name of, or associated with, the account holder(s), will be subject to this agreement. Any abuse of this form shall render it void, and the said account(s) will become subject to being charged the greater of commissions charged for all lots traded, or interest fees that would have been charged to the account. Commission fees on all account types are subject to change at any time. FXCM reserves the right to change the commission charge or to revoke the interest-free option on the account in its sole discretion at any time. Corporate accounts are not eligible for the interest free option.

Since the risk factor is high in the foreign exchange market trading, only genuine "risk" funds should be used in such trading. If Account Holder does not have the extra capital he can afford to lose, he should not trade in the foreign exchange market. There are no guarantees to the limit or to the extent of losses. In cases where Account Holder receives trading advice from a reseller or introducing broker, the undersigned understands that it is his/her responsibility to closely scrutinize all advice before placing a trade.

**THE UNDERSIGNED ACKNOWLEDGES HAVING RECEIVED, READ AND UNDERSTOOD THE FOREGOING COMMISSION ACKNOWLEDGEMENT AND REQUEST FOR INTEREST-FREE APPLICATION.**
